

SWE 3513 Assignment 1 - Contribution Evidence

Group AI-GXX - replace placeholders with genuine names, roles, and commits

Group members and assigned roles

Member 1	Name / registration number	Data and UX lead
Member 2	Name / registration number	Regression engineer
Member 3	Name / registration number	Classification engineer
Member 4	Name / registration number	Clustering, QA, and release

Evidence rule

Replace placeholders only with genuine contributions and real Git commits. Do not fabricate commit history or claim work not performed.

Commit and contribution record

Complete this page from the actual Git history before submission.

Submission notes: Record the final commit hash, repository URL, and genuine review or testing responsibilities here.
